## FINAL REPORT

### Expert Lecture on "CPR and PCOD/PCOS"

---

Shri Rama Krishna College of Pharmacy, Satna (M.P.), successfully organized an expert lecture on "CPR and PCOD/PCOS" for the students.

The session was delivered by Dr. Pratibha Chaturvedi, who shared her valuable knowledge and expertise on health awareness and emergency care practices.

The objective of the lecture was to provide awareness about Cardiopulmonary Resuscitation (CPR) and common health conditions such as PCOD (Polycystic Ovarian Disease) and PCOS (Polycystic Ovary Syndrome). The speaker explained the causes, symptoms, prevention, and management of these conditions in a simple and effective manner.

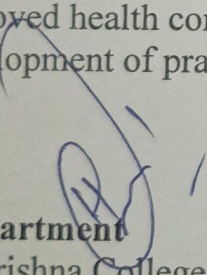

The session also included a demonstration of CPR techniques, which helped students understand the practical aspects of emergency response. Students actively participated and showed keen interest in learning life-saving skills.

A total of 150 students along with faculty members attended the session. The lecture was interactive, and students asked questions regarding health management and emergency care.

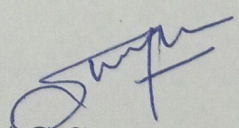

Overall, the session was highly informative and beneficial. It enhanced students' awareness about personal health, emergency preparedness, and lifestyle management. The college expresses its sincere gratitude to Dr. Pratibha Chaturvedi for delivering such an insightful lecture.

#### Outcome of the Program:

- Awareness about CPR and emergency response techniques
- Understanding of PCOD/PCOS and their management
- Improved health consciousness among students
- Development of practical life-saving skills
