

## Summary of Expert Lecture on "Highway Design"

---

### FINAL REPORT

#### Expert Lecture on "Highway Design"

Date 19/04/2026 Ref. N. : IQAC 2026SRKCESM028

Shri Rama Krishna College of Engineering, Science and Management, Satna (M.P.), in association with the IQAC Cell, successfully organized an expert lecture on "Highway Design" for the students of Civil Engineering.

The session was delivered by Mr. Utkarsh Pandey, Assistant Highway Engineer, who shared his valuable knowledge and practical experience in the field of highway engineering.

The objective of the lecture was to provide students with an understanding of highway planning, geometric design, construction materials, and safety considerations. The speaker explained various real-life applications and modern techniques used in road construction and infrastructure development.

90 **students** along with faculty members actively participated in the session. The lecture was interactive, and students enthusiastically asked questions related to highway design and its practical implementation.

The expert also discussed challenges faced in highway projects and suggested effective solutions, which enhanced the learning experience of the students.

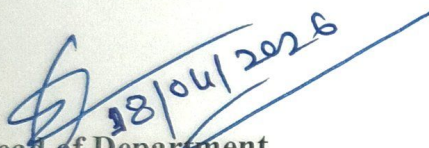

Overall, the session was highly informative and beneficial. It helped students gain practical insights and improved their understanding of highway engineering concepts.

**SHRI RAMAKRISHNA COLLEGE OF ENGINEERING SCIENCE AND MANAGEMENT SATNA**

The college expresses its sincere gratitude to Mr. Utkarsh Pandey for delivering such an insightful lecture and to the IQAC Cell for their support in organizing the event successfully.

**Outcome of the Program:**

- Enhanced knowledge of highway design and planning
- Understanding of real-world engineering challenges
- Awareness about modern construction techniques
- Improved technical and practical skills
