

FINAL REPORT

Expert Lecture on "Drilling & Blasting"

Shri Rama Krishna College of Engineering, Science and Management, Satna (M.P.), in association with the IQAC Cell and the Department of Mining, successfully organized an expert lecture on "Drilling & Blasting" on 25 April 2026 at the Seminar Hall, B Block.

The session was delivered by Mr. V. N. Singh, DGM, MP Birla Corporation, who shared his extensive industrial experience and practical knowledge in the field of mining operations.

The objective of the lecture was to provide students with a comprehensive understanding of drilling techniques, blasting methods, safety precautions, and modern technologies used in mining industries. The speaker explained real-life case studies and industry practices, making the session highly informative and practical-oriented.

A total of 75 students along with faculty members actively participated in the session. The lecture was interactive, and students engaged in discussions, asking questions related to blasting safety, equipment handling, and field challenges.

The expert also highlighted the importance of safety measures and environmental considerations in drilling and blasting operations, which enhanced the awareness and responsibility among students.

Overall, the session was highly beneficial and enriched the technical knowledge of the participants. It helped bridge the gap between theoretical concepts and real-world industrial practices.

The institution expresses its sincere gratitude to Mr. V. N. Singh for delivering such an insightful lecture and to the IQAC Cell and Department of Mining for successfully organizing the event.

Outcome of the Program:

- Enhanced understanding of drilling and blasting techniques
- Awareness of safety measures in mining operations
- Knowledge of modern tools and technologies used in the industry

- Improved practical and technical skills
